The American Foundation for Suicide Prevention will be hosting an Out of the Darkness Walk in partnership with the University of Akron this month. The Out of the Darkness Campus Walks are the American Foundation for Suicide Prevention's (AFSP) signature student fundraising series, designed to engage youth and young adults in the fight to prevent suicide, a leading cause of death. The event will begin at 4:00 p.m. with check in opening an hour prior on April 24, 2025, at the Jean Hower Taber Student Union, Akron, Ohio. Participants will walk one mile starting from the Student Union and through Colman Commons. Join us to help our community fight youth and young adult suicide.
